Hello Week Assembly, Dance Set

"Y Town Is a Hi Town," an original three-act musical comedy will be presented by Intercollegiate Knights and Y Calvary in a special Hello Week assembly Thursday in Smith Fieldhouse.

The assembly, which will be at 7:30 p.m. instead of 8 p.m., originally announced, will be the first student-sponsored assembly of the school year.

Tells Story
The musical comedy, embellished with dance numbers, will tell the story of six "Y Town" girls—each coming to BYU for different reason. Written by BYU playwrights Blair Byrnes, it tells the trials and humorous situations the girls get themselves into during the school year.

Leading the cast are school leaders and drama students including Sherry Hale, actress and singer; Vicki Fleischer, songwriter, dancer and actress; Dot Olsen, lead in BYU's production of "Angel Street"; Carol Ann Thurgood, second female lead in Universal International's "The Bucks and Bruses"; and Ellen Anderson, BYU vocalist and local disc jockey.

New Song Set
Assembly-goers will hear for the first time a new BYU song, "Y Town Is a Hi Town." Other songs in the show will be "The First Snowfall of Winter," "Let It Snow," "Here's the Highway," "Swinging a Star" and "June Is Busting All Over."

Assembly chairmen are Bill Emmons and Jeannette Thiriot. Two dances will carry over from "Y Town Is a Hi Town" to be scheduled for Smith Fieldhouse Friday night.

Y Living Center, Social Club, Smith Fieldhouse and Yakin School.

HELLO HELPERS — Hello Week co-chairmen, Marcia Bradshaw (left), and Ron Lewis (second from right), show Virginia Griffith and Martin Perkins what "Hi Town" is, Friday's Hello Week assembly and dance climax activities.

Students Get Football Tickets Day of Game Under New Plan

A new system for distributing football tickets goes into effect this quarter.

New policies will mainly affect acquisition of tickets by groups. According to Floyd Taylor, groups may obtain blocks of tickets only if each member appears to pick up his ticket. However, it will be possible for one person to obtain two tickets, if he has two activity cards.

Pick Up Tickets
Students may pick up tickets at 3 p.m. on the day of the game. Distribution will take place at student ticket booth at the top of the stadium.

The new system is designed to utilize every seat in the stadium. Under the old system, tickets were picked up in advance and many times persons holding the tickets failed to come to the game, officials said.

Officials promise that the distributing staff will be large enough for students to get tickets without waiting in long lines.

Same Seats

The same seats which have been available to students in past years will still be extended to them this year.

If the system is successful during football season, it will probably be used for basketball tickets, reported Taylor.

Blue Cross Deadline Set

Persons wishing to participate in the Blue Cross health protection program have until Friday at 4 p.m. to make application. Blue Cross officials said Monday.

All full-time Brigham Young University students are eligible to apply for the protection, even if they signed a waiver indicating they would not take the insurance, officials reported. The waivers are not binding and students who signed them can still get Blue Cross protection if they wish.

Friday Deadline
After Friday however, no more persons will be signed for the program for the rest of the year. Some students may be waiting until winter quarter to sign up. It will not be possible to get BYU Blue Cross protection for the rest of the year if students miss the Friday deadline, officials emphasized.

Brochures explaining the program are available in the student health center.

Cougarette Troutout Continues Tuesday

Cougarette troutouts for all girls who were unable to attend the first troutout will be held Tuesday at 5 p.m. in 134 Page School.

Only girls who could not attend the first troutout may attend.

Announcement of the girls who attended the first troutout who are to attend the second one will be posted Wednesday on the IOC bulletin board in the basement of Clark Student Service Center. The second troutout will be held Wednesday at 5 p.m. in 134 Page School.

Dr. Wilkinson To Speak At Wednesday Assembly

Dr. Ernest L. Wilkinson, president of Brigham Young University, will speak at the devotional assembly this Wednesday in the Smith Fieldhouse at 10 a.m.

Dr. Wilkinson spent two months this summer on a tour of Europe and the Near East. He visited 14 countries on his trip. The president stated that the main reason for the trip was to discover how the BYU education team was doing in Iran. The university has sent three teams, each for two years, to Iran under a contract it has with the Teacher's College of Iran, which is part of the University of Tehran.

A fourth team led by Dr. Golden Woolf, who also led the third team, left this month. Dr. Wilkinson said that one reason for the team's success was that Dr. Woolf speaks French fluently.

While he was in Iran, Dr. Wilkinson conferred with the dean of the college, the minister of education, the prime minister, the head of the Point Four program for Iran and the United States ambassador to Iran.

Born in Ogden
Dr. Wilkinson was born in Ogden in 1890. He graduated from Weber College in Ogden in 1918, received his bachelor of arts degree in 1921 at BYU, received his LL.B. degree from George Washington University in 1926, and got his SJD degree from Harvard University in 1927.

He is a member of the law firm of Wilkinson, Boyden and Cragin of Washington, D.C., and was admitted to the Utah Bar in 1927. In 1930 he represented the Indiana in obtaining the largest judgment ever obtained against the United States in the United States Court of Claims which was for \$31,500,000.

BYU President
Dr. Wilkinson has been president of BYU since 1951 and is presently administrator of the United Church School System, which includes the LDS Business College, Yacks College, the academy and elementary schools at Colonia Juarez, Chihuahua, Mexico.

He is also head of 116 full-time and 236 part-time seminars, 20 full-time and 13 part-time seminars institutes. The educational expansion since 1951 includes among other things the introduction of the engineering sciences and the School of Nursing and the acquisition of an Air Force Reserve Officer Training Corps detachment.

Devotional assemblies following Wednesday's opening, will feature general authorites of the Church. Monday oral assemblies will be addressed by noted world leaders in the fields of politics, drama, education, foreign affairs, journalism and many others.

Dodgers Stop Braves

by Oscar Fraley
United Press International

MILWAUKEE (U.P.)—Burly John Busch, the man who replaced Roy Campanella, shook off his own plate paralysis Monday with a sixth inning home run which gave the Los Angeles Dodgers a 3-2 opening victory in their National League pennant playoff against the Milwaukee Braves.

A hitting disappointment ever since he was forced to don the injured Campanella's "tools of ignorance" last season, the husky catcher lofted his tie-breaking homer 375 feet into the rain-sprinkled, sparsely-tenanted right field bleachers and gangling Larry Sherry with a blazing fast ball took it from there.

Sherry, who had come on with one out and two Braves striding on the bases on a murky, flood-lit afternoon, further sobered the 18,297 chilled fans as he hurled the Dodgers home with a fourth performance over the final seven and two-thirds innings after relieving starter Danny McDevitt.

McDevitt trudged to the showers after setting up a 2-1 Milwaukee lead in the second inning. And then Los Angeles, its "big" pitchers tired and worn, went to the stringy 24-year-old Sherry.

Sherry didn't let them down, as he supplied the pitching fireworks which swept the long-frustrated Dodgers to victory. They had lost two of these playoffs before—the only two ever played in National League history. The Cardinals routed them in 1946 and then the Giants did it to them again in 1951 when Bobby Thomson clinched their defeat with the shot heard round the world.

But this time the Dodgers were in the lead with the score shifted to Los Angeles for today's second, and, if necessary, Wednesday's third and final game. They'll both shoot with their big men today, ferebelling Don Drysdale for Los Angeles and hatchet-faced Lew Burdette for

the trailing defending National League champion Braves. But today they had to try with long-shots of their frazzled staves and when it was over Carlton Willey had gone down before a 10-hit attack and the slender Sherry

had closed out the six-hitter against the Braves. The game delayed 47 minutes by rain, the six-foot, two-inch Sherry came in a game where the start was through for the second time in four days.
